PROGRAM NOTICE FOR STUDENT AND PARENT

The Canada Crown International Education Institution is committed to providing the best educational programs and services possible for international students. In order to facilitate this, International students and family need to understand and agree to the following:

1. The student and family agree to entrust CCIEI to make applications for the student's study in Canadian schools, that shall start once an entrustment agreement is signed.
2. The student and the parent warrant that the student applicant has no history of criminal behavior, and declare that all the information provided in this application is legit, complete, correct, valid and to the best of our knowledge. In case any loss and problems are caused by false documents or inaccuracies from the student and parents in the application, the student and family will be fully responsible for any consequences.
3. The student and family consent CCIEI to the use of information and photographs of themselves in the application.
4. The student and family agree to communicate with CCIEI by mail as the primary mode of communication for receiving and sending documents to/from CCIEI. In case of changes to the email, it shall be informed to the CCIEI in a timely manner.

I have read, acknowledge and agree to all the statements as outlined above and the application
